NCFE Level Three Extended Diploma in Sport & Physical Activity (Sports Coaching) with Football

The Level 3 Extended Diploma in Sport and Physical Activity is designed as a full, two-year programme for learners who wish to develop their skills and knowledge of the sector.

This qualification supports learners interested in progressing to higher education.

COURSE CONTENT

- Exercise, health and lifestyle
- Preparing for a career in sport and physical activity
- Sports coaching
- Sports nutrition
- Principles of anatomy and physiology
- Various opportunities to represent the football club in the EFL CEFA league and cup competitions (11-a-side football)
- Much more besides

Course content is a total of 19 units relating to Physical Education, ranging from anatomy and physiology to sports as a business, while candidates will also have the opportunity to complete the NCS programme and undertake a period of work experience

PREREQUISITES TO APPLY

- A minimum of Level Three qualifications (GCSE) in English and Maths
- A desire to play regular football

EXIT ROUTES

- Progression onto our Foundation Degree at Glanford Park in association with the University of South Wales
- University degrees in the field up and down the country
- Apprenticeships in various sectors within sport and physical activity
- Job opportunities at the Iron Foundation or Scunthorpe United Football Club
- A professional footballer's contract or academy scholarship
- Other career opportunities within the sports industry

FURTHER DETAILS

- Full course details can be found on our website and social media (details below)
